"Are you holding family prayers in Court Square now?" queried an Arraal reporter of Sergt. Regers last night.
"No, but it has looked like there was a revival going on over there for the last day or two. Religion has nothing to do with two. Religion has nothing to do with though. A prairie dog is the cause of the commotion. I had one given to me the other day by a lady who brought it from Texas, and not less than 2000 people

from Texas, and not less than 2000 people have been to see it."

"Starting another menagerie, are you?"

"Oh, no. This is an underground affair, and if I were to tell you what a wonderful dog that is you wouldn't be casting any slurs upon him. Why, that dog has made a discovery of the biggest kind. When I first got him I was about to fix him a house in one of the trees, and build him a pair of back stairs to walk up on, but somebody reminded me that his nat-

THE MEXICAN BAND The famous Mexican band, which gave arrive several hours late, will now have

an & Grosvenor were generous enough to educt \$50 from the rental price of the educt \$50 from the rental price of the entiding in order to aid bim, and the maning in order to aid bim, and the maning of the Cotton Exchange. ager of the band seems determined to do everything in his power to make up for the disadvantage under which Mr. Tracy was placed on the first Saturday, and an effort will be made to have special trains run in to accommodate country people who desire to hear the alternoon concert. Seats will be put on sale at Mansford's Wednesday morning, and the prices will be \$1 for the evening concert, 75 cents for the matinee, children 25 cents for either performance. No extra charge will be made for reserved seats.

Mr. H. F. Arnold, the business agent of the band, was seen last night and said that the band was very glad to have an opportunity of appearing in Memphis again and would do their best to please the public.

—A cotton compress is being built at Grenada and the prospect is that Memphis will get a large amount of cotton from that point.

—A dog whose life is worth preserving is certainly worth a muzzle. Those who are not muzzled should go the way of all flesh at once.

—A handsome watch and chain has been presented to Miss Pauline Rosenthal by the members of the choir of the Jewish Synagogue.

—The will be a gospel meeting Tuesday

would do their best to please the public.

We have had a very successful tour, said Mr. Arnold. "Successful in a finan-still as in an artistic sense. Con-

man with the country and with the re- crowd of Memphians. a man with the country and with the reception they have received, and many of them declare their intention to come to the United States to live as soon as their term of service in the army expires. They are now playing in the contestants in the lakeview regains.

JAMES H. HUGHES, Pailman company of the contestants in the lakeview regains.

JAMES H. HUGHES, Pailman company of the contestants in the contestant in the co Chicago, and will visit Louisville next.

A special train will bring them over the
Chesapeake and Ohio, leaving Louisville
at 12 o'clock Thursday night, which will out them here in time for a late dinner. After the close of the engagement here they go direct to New Orleans, where two oncerts, the last in this country, will be iven before their departure for Mexico."

HOUSE SERVANTS. Country—their Feculiarities.

The arrival of the "first new hale" is not more eagerly looked for by the meeting chants on Front street than by a great mass of the darky population of the city—men and women—who do not hesitate to desert the best of homes for the delights of the cotton patch and six bits or \$1 a loo pounds. A lady who had just received 100 pounds. A lady who had just received 100 pounds. A lady who had just received 100 pounds. The young Men's Christian Association at the following men and sentences.

This was the horse talk at the Memphis pool-rooms yes torday.

—The price of watermelons in the city is governed by the movement of the sun. In the early morning, when the sun is rising, they range from 50 cents to \$1: when the sun begins to decline and wagons start home they can be bought for a nickel.

—The Young Men's Christian Association at the following men and sendences.

In the carly morning, when the sun is rising, they range from 50 cents to \$1: when the sun begins to decline and wagons start home they can be bought for a nickel.

—The Young Men's Christian Association at the following men and sendences.

In the carly morning to a point thirty miles south of Augusta, Ga., and grading is about completed to Gibson, twenty miles farther.

Instrack of the Alabama Great Southern railroad has been put in splendid condition. During the past five months fully we thirds of the track has been ballasted.

—The Young Men's Christian Association at the following men and women—who do not hesitate to describe and wagons start home they can be bought for a nickel.

—The Young Men's Christian Association and the city and grading is about completed to Gibson, twenty miles for the fall of the city and grading is about completed to Gibson, twenty miles for the fall of the city and grading is about completed to Gibson, twenty miles farther.

In the carly men's control of the sun.

In the carly men's control of the sun.

The Young Men's Christian Association and the city and grading is about completed to Gibson of the cotton patch and six bits or \$1 a 100 pounds. A lady who had just received a hint in the way of warning from her cook was speaking of the fact vesterday, and added with a sigh that it did not make much difference as something else would be sure to occur in a little while of the cotton patch and six bits or \$1 a 100 pounds. A lady who had just received a hint in the way of warning from her cook was speaking of the fact vesterday, and added with a sigh that it did not make much difference as something else would be sure to occur in a little while "I think negro women have a perfect genius for cooking," she said, "and really they are the only rervants we have. Some of the colored girls I have had were successes of the most brilliant kind, but as they developed they revealed weaknesses that could not be tolerated, and in self-defense I had to send them away. There was Bessie, for instance. She was a yellow girl, comely and pleasant-spoken, and during the first week she was a jewel. The first Saturday night came, and she dressed and went out. I did not see her again until the way of warning from her cook was peaking of the first week she was a jewel. The first Saturday night came, and she dressed and went out. I did not see her again until the way of warning from her cook was peaking of the first week she was a jewel. The first Saturday night came, and she dressed and went out. I did not see her again until the way of warning from her cook was peaking of the first week she was a jewel. The first Saturday night came, and she dressed and went out. I did not see her again until the way of warning from her cook was peaking of the first week she was a jewel. The first Saturday night came, and she dressed and went out. I did not see her again until the way of warning from her cook was speaking of the first week she was a jewel. The first Saturday night came, and she dressed and went out. I did not see her again until the way of warning from her cook was speaking of the first week she was a jewel. The first Saturday night came, and she dressed and went out. I did not see her again until the way of warning from her cook was a perfect genius for cooking," she said, "and really she control of the first week she was a jewel. The first Saturday night came, and she defense in the first week she

there was Ellen. Fllen was a woman of thirty-eight or forty, with one of those calm, cow-like faces, slow as molasses and deaf as a post. But as a cook she was divine. Ellen never had any idea of time, and unless you stood beside her and superintended everything, would not prepare the breakfast until noon or the dinner until midnight. Besides, if you sent her out on an errand, she would stay so long that you would begin to think that she had taken a trip to Forest Park. Then there was Mollie. She was an awfully pleasant girl. She liked to talk, and the children took to her like the measles. But she couldn't prepare a single dish. She didn't know how to broil a steak, while as for getting up a dinner she was as ignorfor getting up a dinner she was as ignor ant of that as of the differential calculus And then she had interminable interview with young colored fellows at the bac gate and was out at night constantly."

Mme. Favari to Be Reproduc d This Evening. At Estival Park yesterday afternoon and last night the St. Quinten Opera Company gave Mme. Favart to good audiences. It will be reproduced to-night, when it is expected the crowd will be a large one. The opera is one of the brightest kind, and the parts, with one or two consulences excepparts, with one or two conspicuous excep tions, are very well done. Miss St. Quinten, as "Mme. Favart," appears in seven differ-

Cochran, vice-president of the amount to 70,000 acres, and this much as a compromise was effected by reducing the amount to 70,000 acres, and this much as a compromise was effected by reducing the amount to 70,000 acres, and this much as a compromise was effected by reducing the amount to 70,000 acres, and this much as a compromise was effected by reducing the amount to 70,000 acres, and this much as a compromise was effected by reducing the amount to 70,000 acres, and this much as a compromise was effected by reducing the amount to 70,000 acres. were His feet were wet and the hair under his body was dripping with moisture. "My friend," continued the sergeant, lowering his voice to an awful whisper, "that dog had found a cave. Think of it, a cave right under the square in the heart of the city. I measured the string and found it long enough to reach to the level of the low water mark on the Mississippi river. I am looking around for Mississippi river. I am looking around for

> Promptly at 10 o'clock the huller was started, fed with unlinted seed from the first new bale of this year's crop. The machine worked to perfection. Every point was fully explained by Mr. Oates, the superiority of burrs over knives fully set forth, and the case and quickness with which the huller could be adjusted or balanced shown by actual working. "Is the product too coarse?" asked Mr. Oates of one of the gent'emen present. "Yee; make it a little finer," he red lied, and by a simple turn of a small wheel, and without stopping the machine, the gentleman had his wish gratified. This feature will be appreciated by practical mill men who

preciated by those present. dent that the money will be forthcom The product was a surprise to everyone, seven per cent. of meal was realized, and this, too, from green, unlinted seed, which this, too, from green, unlinted seed, which are per cent. of meal was realized, and this, too, from green, unlinted seed, which are per cent. of meal was realized, and this, too, from green, unlinted seed, which are per cent. of meal was realized, and this, too, from green, unlinted seed, which are made and will open the eyes of mill men. FiftyA very important step towards the building of the railroad up Lookout mountain was made last week. The railroad company have closed the negotiations for the purchase of a 3-acre tract at the base of this, too, without any of that troublesome purchase of a 3-acre tract at the base of all men. The guality was simply A No. 1. and will open the eves of mill men. Fifty-

EVERYBODY SATISFIED. When the test was concluded, Mr. Oates asked if all were satisfied that his There was not a dissenting voice. Everybody present was more than satisfied, and declared that the true problem of the economical working of cotton-seed had been solved. Mr. Oates is to be congratuwe desire to express our appreciation of lated on his success. He is a wide-awake, pushing man, and is deserving of all the rosperity which his huller will doubtless ring him. He has already received several orders, one from Columbia, S. C., and is prepared to make estimates for ma-chines of all capacity. That the Diamond Huller is a success is now beyond dispute, and the public will be quick to learn and

take advantage of it. LOCAL PARAGRAPHS. -Baseball to-day.

ISPECIAL TO THE APPEAL. CHATTANOGA, TENN., August 22.—The bitter rivalry between the Western and Atlantic and the East Tennessee, Virginia and Georgia, between this city and Atlanta, has again resulted in a war of rates. To-night the Western and Atlantic announced a cut of 20 per cent, in rates to all eastern points via the Piedmont Air Line. It is not known whether the East Tennessee precipitated the war.

school on Adams street, No. 155, for boys and girls. She is a model teacher, and will no doubt organize a model school. Mrs. Bowles was reared and educated in Nashville, taught in that city for many years, and has the highest testimonials as a jsuccessful educator, as a lady of intellectual culture and refinement. She is not a stranger to the people of Memphis, as she has been a teacher in Miss Clara Conway's school for two years and has won much reputation and popularity as a teacher. Mrs. Bowles has all the prerequisites that constitute a successful educator, and her school will be one of the teacher. Mrs. Bowles has all the prerequisites that constitute a successful educator, and her school will be one of the
best in the city. The number of pupils
will be limited, and all who intend to
patronize this school should notify Mrs.
Bowles during the week. The school
building is conveniently and most desirably located. We wish Mrs. Bowles unbounded success, as she is a most excellent
and worthy lady.

Overwhelming Score of Eleven to Four -An Exhibition Game This Afternoon-Diamond Dust.

will give the Queen and Crescent route ar outlet to the gulf from Shreveport. euraton and Picnic Tuesday Even ing, August 25, 1885,

> Columbus.—Cline started with a safe grounder to left and scored on Andrews's three-bagger over right fielder's head; Andrews scored on Strauss's safe grounder to center; Strauss went to third on Arundel's bad throw to second, and scored on Dorgan's hit over second baseman's head; Krehmeyer hit a grounder to center; Lyons hit a bounder to MeSorley, who fambled, and Dorgan scored; Mesorley also fumbled Collins's hit, and on Hamburg's hit to center field Lyons and Collins scored; Smith got first on balls, and from the First Presbyterian church of this city. Our young friend is to be congratulated upon the superior advantages he will epjoy in this deservedly popular and growing university of the drews flied out to O'Brien, who threw Smith out at second, making a double play, and Strauss flied out to Hogan. Memphia.—Hogan flied out to Strauss. Black hit to first and O'Brien to short-stop.

SECOND INNING. Columbus - Dorgan hit to short; Krehmeyer hit safe to center, but was thrown, out at second, and Lyons sawed out. Memphis — McSorley hit a liner to short, who muffed; Phelan hit near home-plate and was safe; Carroll hit a line fly to Hamburg, Graham hit over second's head, but Collins muffed and threw Phelan out at second, and Arundel foul-flied out to

Columbus.—Coilins hit to third, Ham-burg made a two-bagger to left; field, Smith foul-flied out to McSorley and Cine sawed Memphis.-Breman hit to pitcher, Hogan fouled out to catcher and Black same

to Andrews. FOURTH INNING. Columbus.—Arus.—ws flied out to Gra-iam, Strates hit to Short and Dorgan foulounded out to catcher.

Memphis.—O'Brien, hit to center, but Strauss muffed, and O'Brien got to second; McSorley hit to second, O'Brien going to third and scoring on Phelan's safe hit over econd, but Cerroll and Graham both

lied out to Hamburg.

Columbus.-Krehmeyer hit safe to right, famburg hit to third. Memphis.—Arundel got first on balls, but was thrown out at second; Brennan struck out, and Hogan hit to short-stop. SIXTH INNIN!

FIFTH INNING.

Columbus.—Smith struck out; Cline hit a pop-up which Phelan muffed; An-drews then hit on home-plate and was safe, and on the throw home, which carmed on estaber. Cline and Andrews scored; Strauss flied out to Graham, and Dorgan hit to third. short; O'Brien hit a hot one to third, who fumbled; McSorley then hit to first, who hrew to second, who muffed, and bot cored on Phelan's two-bagger to left field ence, and Phelan scored on Carroll's

double-bagger to right field fence; Gra-ham fouled out to Lyons, and Arundel hit At price of common garments. A to second. Columbus - Krehmeyer hit to short, who fumbled and threw wild, and a passed ball gave him third; Lyons hit over third; Mc-Sorley looked at the ball but did not get it; on the throw to second Lyons was put out, but Krehmeyer scored; Collins sawed ut and Hamburg hit to short-stop.

Memphit.—Brennan was safe on a bad throw of Coilins; Hogan flied out to Strauss and Black same to Dorgan; O'Brien

EIGHTH INNING. Columbus.-Smith struck out; Cline go irst on bells; Andrews hit to Grahan who made a pretty running catch, and trauss popped out to Phelan.

Memphis.—Carroll foul-flied-out to Andrews; Graham and Arundel both retired

then hit safe to left and McSorley followed

with a safe hit to center, Brennan scoring; but Phelan flied out to Cline.

NINTH INNING Columbus.-Dorgan hit to third, but was safe on O'Brien's muff, and was thrown out at second by Krehmeyer's hit to pitcher. Krehmeyer scored on Lyons' double bagger to left fence, and Lyons got caught at third on the throw in. Collins hit over third, but Carroll got it nicely on Memphis,-Brennan sawed out; Hogan got a double-bagger to left, but was thrown out at home-plate on Black's sin-gle to center; O'Brien got first on balls, but M. Sarley ended the game on a hit to
